"Our Mission"

"To provide the City of Princeton and the surrounding community with a qualified team of trained professionals, whose primary purpose is to protect life, property, and the environment through public education, fire prevention, and emergency scene management."

VOLUNTEERS NEEDED!

(Our program is Shift based, Living in the community is not required)

Benefits:

- Volunteer Retirement and Workman's Comp
- Shift Stipend/ TCFP certification held by organization
- Training and certifications
- Opportunity to serve the community as public servants

Our department is a combination department consisting of paid, part-time, and volunteer firefighters. These dedicated men and women are committed to helping the community, with a focus on quality service to the citizens of Princeton. We provide both fire and emergency medical services 24 hours a day 365 days a year. Our department is staffed by over 35 personnel with both fire and EMS certifications responding to over 1500 calls annually. We employ a first responder system and support American Medical Response's (AMR) Advanced Life Support Ambulance housed at our fire station.

Applicant Requirements:

- Must be 18 or older and possess a valid Social Security number. Military service members must also produce a DD214
- Class C Texas Driver's License, plus proof and maintenance of auto insurance
- Must speak and have a thorough comprehension of the English language
- Good moral character - Integrity, Respect, Dependability, Strong Work Ethic, Unselfishness
- Must complete an application and turn it into Princeton City Hall with notarization.
- Must attend meetings and training regularly
- Additional department requirements apply once a member – Call for details
- Background investigation required

Certifications Required:

- TCFP Certified or Certifiable. SFFMA also considered.
- EMT-Basic or higher medical certification
